OSA 0754-63

6 March 1963

MEMORANDUM FOR: Chief, Communications Staff, OSA
SUBJECT: Tape Recorder for the Control Center

25X1

25X1

1. This will confirm verbal discussions with [] and [] in which they were requested to determine the type recorder and microphone required to handle briefings in the Control Center.

2. This requirement was established by the Assistant Director, OSA, and should be accomplished as soon as possible.
